MAS is a chapter of National Audubon. But at this point in time National Audubon does not provide any funding for local chapters. To cover the cost of newsletters, web services and meetings MAS now offers local memberships.

- Individual membership - \$10
- Family membership - \$15
- Please save the trees, send me the newsletter via email.

I(We) would be -

- willing to lead a field trip.
- interested in participating in a work day.
- willing to do a program.
- willing to serve on the MAS board.

Please, make checks out to Mecklenburg Audubon Society and return to:
